P F	ability to fully shut off these systems must be provided (i.e. information in Owner's Manual, etc.). Driv		
	operating position if the car's ignition is turned off and on again.		
	ADDITIONAL NOTES FROM ON-SITE INSPECTOR:		
тик і	UNDERSIGNED INDIVIDUAL(S) HEREBY CERTIFY THAT:		
	OFFICIAL TECHNICAL INSPECTION FORM (THE "FORM") submitted to the RENNSPORT REGIO	ON Region (the "Region") of the Porsche Club of America	
in connection with the above noted High Performance Driver Education Event, was for pre-event and grid tech inspections performed on the dates shown in Sections A and			
B by a Porsche mechanic or other person authorized by the Region to conduct such an inspection. 2. The completed Form correctly and accurately shows the condition of the Car identified above at the time of the inspection.			
3. There have been no changes in the condition of the Car since the inspection that would affect the track-worthiness of the Car. The undersigned hereby agrees to defend,			
indemnify and hold harmless PCA, its Zones and Regions, as well as the inspector, from any and all claims or demands arising directly or indirectly from any incorrect and/or inaccurate statements set forth in this form.			
I understand that the technical inspection performed on my Car and my helmet is solely for the purpose of meeting minimum standards of car preparation for the Zone's or			
Region's High Performance Driving Event. No warranties or guarantees are implied or expressed by the passing of the inspection performed. I acknowledge that the safe			
	n and operation of my Car is entirely my responsibility. I take full and sole responsibility for any vehicle on with the operation or performance of my Car prior to, during, or subsequent to the Event.	prooferits, manufictions, or dainage that may occur in
